- DE** Wenn der ausgebaute Rohrbelüfter Abbildung 1 entspricht, den O-Ring am Unterteil des neuen Rohrbelüfters vor der Montage entfernen.
- EN** If the anti-vacuum valve you have removed corresponds to fig. 1, remove the O-ring on the bottom part of the new anti-vacuum valve before assembly.
- FR** Si l'aérateur à emboîtement démonté correspond à la figure 1, retirer le joint torique de la partie inférieure du nouvel aérateur à emboîtement avant le montage.
- NL** Als de gedemonteerde beluchter overeenkomt met afbeelding 1, moet de O-ring aan het onderstuk van de nieuwe beluchter vóór montage worden verwijderd.
- DA** Når den afmonterede rørafbryder svarer til fig. 1, fjernes O-ringen på underdelen af den nye rørventilator før montering.
- CZ** Pokud demontovaný zavzdušňovač potrubí odpovídá obrázku 1, odstraňte před montáží O kroužek na spodní části nového zavzdušňovače potrubí.
